FINANCIAL OFFICER STATEMENT

WILLIE LITTLE, JR

FINANCIAL REPORT

Now that our 2017-2018 Officers have been installed, we would like to thank Past Commander Rick Martino and Rene Ciccarello for a job well done. We now have a facility that we are proud of and more importantly, our Financial foundation is solid.

The greatest challenge for our new officers is to improve the lack of membership involvement in formulating the directions of this great historic institution. And based on the American Legion's National By-Laws, there are a numerous

COMMITTEES THAT ARE OUTLINED. Hence, we have selected the ones that will be beneficial in getting more membership involvement and contribute to our financial success. So, when one of the Committee Chairperson knock on your door, step-up because we want your input. There are no excuses!!!!!! We will help you get from point A to point B.

By now you must be saying " Why in the hell isn't he talking about the Post's financial?" As I stated in my opening paragraph, **OUR FINANCIAL FOUNDATION IS SOLID.** We have funds in our checking account to cover our fixed costs such as insurance, electricity, water/sewage, etc. for the next two months. If you wish to have addition info, your presence at our next General Meeting on Wednesday August 2nd at 1900 hours is advisable. I will submit a preliminary 2017-2018 budget at our next E-Board. I will request that each Committee Chairperson submit their budget request by September 15th for review by our E-Board.

I think that I have used my allotted space, hence, I will provide you with my Financial background and Philosophy in supporting our Post. It is a **HONOR** to serve this great institution.
