## Fellow Legionnaires

### Message from Commander Elect

Hi! Legionnaires, as you are well aware we did have a General Election and we ended up with a new Slate of Officers being voted into the Executive Board. We are now in a transition period as the new slate will become effective in July. As a part of our strategy, we are in the process of getting familiar with the running of the Post, in order to effect some changes in the administrative side of it. Our goal is to "hit the ground running" in July and make sure that all changes or innovations put in effect reflect our philosophy that we are here to service and increase the well being of our Comrades and to make the Post our second home. In a more upbeat note, I personally welcome all of you to revisit your "Second Home" and see the changes taken place, we are doing all these upgrades for you, so enjoy and use them. You deserve to be part of the Post and we encourage you to visit it. Again, I'm looking forward to be working with each one of you to make all of this a reality.

Thank you ,

Till we meet again,

For God and Country

Wilfredo Santiago , Commander Elect
