## Fellow Legionnaires

### Commander

### Wilfredo Santiago

Greetings Legionnaires

Hoping you and your family are all safe and back to normal after Irma. We have some structural damage at our post, the main ones being roof leakage in some areas and the collapse of the metal roof in our Lounge outdoor area, considering the damage caused by Irma, in our state, we were lucky.

As we continue to tackle all the challenges in our Post, both structurally (physical plant) and administrative (contracts, procedures, information systems) it becomes clearer that we need help.

This organization is composed of volunteers, people like you and me. We take some time of our private life to help and increase the quality of life of our brethren, however the load is too heavy. We need volunteers, we need expertise in IS, carpentry, painters, administration and in some cases brute force. To that effect, I will like to create with everybody's help a list of volunteers that are willing to get involved, to donate a couple of hours a day, or a day a week, whatever time you can spare, if we can count on you, the changes we can make will elevate Post 111 to heights never imagined in our history.

Please call me or the administrative office and sign in as a volunteer, by doing so you will be part of the Post 111 resurgence,

On a lighter tone, we are planning the biggest Halloween party we ever had. This will be on October 31st at 6:00pm-9pm more news will be forthcoming. Neighbor Kids are all welcome.

There will be changes in the E Board and General Meetings schedules as follows

General Meeting continue to be the first Wednesday of the month at 7PM

E Board is rescheduled for the last Wednesday of the month starting at 6PM

Commander , Wilfredo Santiago

## **FINANCIAL OFFICER STATEMENT**

**WILLIE LITTLE, JR**  
**FINANCIAL REPORT**

**Our sales of \$53.9k for August were \$4K Greater than our weekly average for the month of July 2017. However, our Electronic Machines sales were down about \$1k which was offset by a strong Hall Rental activity of \$5k better than July. Our profit of \$1.35k was better than our August loss of \$2.77K by \$4.12K which was primarily due to reduction in our Post Renovation activity.**

**As we move forward nonessential expenditures must be closely scrutinized as we now face the challenge of replacing the loss of our Electronic Machines sales due to a recent audit by the Florida Department of Alcoholic Beverage & Tobacco who ruled out that our machine was illegal. We are currently researching other Electronic Machines alternatives.**

**As of this writing, we have relieved our Bar Consultant of his duties. We are currently evaluating our current staff to assume most of his duties.**

**Your continued support of our post is much appreciated.**
